PROFESSIONAL SUMMARY

Java Backend Developer fresher and Computer Science Engineering graduate with hands-on experience in Core Java, JDBC, Servlets, JSP, Hibernate and Spring. Developed database-driven applications with authentication, CRUD operations, session management and layered architecture. Built and deployed a Java-based e-commerce application using Spring MVC, Spring Security, Hibernate, Supabase and Maven. Strong foundation in Oracle SQL, OOP, Collections, Exception Handling and Multithreading.

TECHNICAL SKILLS

Programming Languages: Java, SQL, JavaScript (Basic)

Core Java: OOP Concepts, Collections Framework, Exception Handling, Multithreading, File Handling

Backend Technologies: JDBC, Servlets, JSP, Hibernate, Spring Core, Spring MVC, Spring Security, REST API Fundamentals

Database: Oracle SQL, CRUD Operations, Joins, Functions, Database Connectivity

Development Tools: Maven, Git, GitHub, Postman, Eclipse IDE, Apache Tomcat, VS Code

PROJECTS

ShopEase – E-Commerce Web Application

[GitHub](#) | [Live Demo](#)

- Developed and deployed a Java 17 e-commerce web application using Spring MVC, Spring Security, Hibernate, JSP, Maven and Supabase.
- Implemented user registration, login, authentication and session-based access control using Spring Security.
- Developed product management, product browsing, shopping cart, checkout, order creation and order history functionality.
- Implemented layered backend architecture using Controller, Service, Repository and Hibernate for application logic and data persistence.

Student Management System

[GitHub](#)

- Developed a CRUD-based Java application using Core Java, JDBC and Oracle SQL for managing student records.
- Implemented insert, update, delete and display operations with database connectivity and exception handling.
- Applied OOP principles, Collections and JDBC for structured application development and efficient data management.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science and Engineering

2022–2026

Sri Sai Institute of Technology and Science, Rayachoty

CGPA: 7.89

CERTIFICATIONS

SkillDzire – Java Full Stack Development | **NPTEL** – Cloud Computing | **NPTEL** – Computer Vision and Image Processing

LANGUAGES

Telugu, English, Hindi
